25X1 The Tarnowitz (M 54/0 30) airfield was unoccupied. Part of the landing field was destroyed. There were no indications of intended reconditioning work at the field.

25X1 [] Comment:

The information that no indications of intended reconditioning work were seen at the field was confirmed by another report. *

25X1 Another [] however, reported that construction material arrived at the field. This information was either wrong or the construction material was supplied for purposes other than the reconstruction of the field.
